Dear General Carmichael:

I am pleased to learn that on-base housing will be available to all students attending the Air War College Class of 1955-1956. As you mentioned in your letter of 14 March, this should prove beneficial to both the students and their dependents while at Maxwell.

The Commander, Air University, is being advised by the Director of Training, CIA, of the name and address of our candidate for this course. The questionnaire on student housing, which was enclosed with your letter, will be completed by the student and returned directly to the Commandant, Air War College.

Sincerely,

SIGNED

12 MAY 1956

Honorable Allen W. Dulles
Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

The Commander, Air University, has advised this headquarters that he would like all students of the Air War College Class of 1955-1956 to live on Maxwell Air Force Base. It is believed that on-base housing will be a considerable advantage to both the students and their dependents. Sufficient quarters are being prepared to accommodate all students, and based on the needs of the individual families it is planned to provide as much furniture as possible from government supplies. Quarters will be assigned to students before arrival, and such furniture as is required and available will be placed in the quarters in advance.

It is requested that the Air University be advised of the name and address of the student selected for the Air War College at the earliest possible date. It is further requested that the student complete the inclosed questionnaire and return it to the Commandant, Air War College, Maxwell Air Force Base, Montgomery, Alabama. Direct communication with the Commandant, Air War College, is authorized.

Sincerely,

A handwritten signature in cursive script, likely of Richard H. Carmichael, is written over the typed name.

RICHARD H. CARMICHAEL,
Brigadier General, USAF
Deputy Director,
